GENERAL MEETING —

Member's Share - Artwork and Studio Space Tips

This month is a show and share – but this time it's both your artwork and some tips on your home studio workspace!

“How is your workspace setup? Is it in your home or do you rent? Does it make a difference if it's in one place or the other? What do you love about your space?”

Hope one or more of these questions helps you think about and maybe see your space in a new way!

Messages From the Board...

Our website is coming along better now! Kelly and Phyllis have made some excellent improvements. We still need your bio info and more pics too!

The Moraga Art Gallery is excited to announce the debut of “*Unique Expressions*,” an exhibit featuring world-class jewelry from the Lafayette workshop of K. de Groot and ever-enticing, abstract acrylic paintings by Irene Needoba. We are delighted to have Judith Feins, a fine art painter, included in the show.

The show will run from **August 31 to November 6**.

Valley Art Gallery - Lisa Rigge - Hand Colored Photographs

Because early photographs could only be printed in black and white, the only way to transform them into color images was to add color by hand.
